ROUTE No **02**

ROUTE DESCRIPTION

From main car park follow the forest track. At first junction head left then straight ahead at X roads, soon following a right hand bend in the trail. Head left at next junction & under pylons. At X roads head right, then right at junction through gate and right again at next junction.

(Alternative access point here from Kincardine, via Tulliallan College)

Head left up hill on narrower forest track at north end of Moor Loch, soon passing under pylons. *This section can be boggy after periods of wet weather*. At next junction head Right on gravel path around Peppermill Dam. Straight ahead at junction (not on map) skirting the water. At large junction take the middle track straight ahead.

(Access to National Cycle Network No 76, West Fife Trail from here: head left at junction)

To return to car park, head straight ahead at next junction, then left at T junction and right at final X roads.

The Red Squirrel Trail is way-marked from the main car park.

DO THE RIDE THING

We love riding this route and to keep our good relationship with local landowners and other path users we ask you to follow the advice below:

- Let other path users know you are coming as early as possible.
- Please watch your speed, especially on blind corners and dips.
- Please take extra care near wildlife and leave the environment as you find it.
- Help land managers and others to work safely and effectively. See 'Route Specifics'.
- Check the weather forecast and ensure you have all the equipment you need for your route.
- If you are in any doubt please pop into one of our cycle centres for advice!
- The route description and quality of path may change over time so please remain flexible with your plans and be ready to use alternative routes. Correct at time of print Jan 2014.

ROUTE SPECIFICS

- Access to Peppermill Dam section can be boggy after periods of wet weather, alternative route shown on map.
- This is a working forest.
- Please check forest operations at www.forestry.gov.uk before riding route.
